

NORTHWEST CATHOLIC HIGH SCHOOL

Student Checklist

NWC
LIONS

1. GETTING STARTED

- Read our Northwest Catholic bi-weekly newsletter. This contains pertinent information for a successful beginning to the school year.
- Review the summer reading list. All students should read [The Hiding Place by Corrie Ten Boom](#). In addition, they should complete the appropriate math packet from the NWC portal. Transfer students should complete assignments based on the grade/courses they are registered for.
- Please be advised that a TI-84 calculator is required for all math courses. This calculator can also be used for standardized tests including the SAT, ACT, and AP exams. The calculator can be purchased at Amazon, Staples, Target, Walmart, and even eBay. The best version is the TI-84 plus CE, but any TI-84 will suffice.
- There are no school supply lists for summer purchasing. Teachers will provide students with a list of materials required for each class during their orientation day. Your students can simply come with a pen, a notebook, and their iPad on orientation day.
- Do you live in West Hartford? Have you completed the West Hartford Bus Form?

2. FINANCE

- Have you completed your reenrollment packet on FACTS and signed your tuition contract?
- Please notify the Business Office if you are having difficulty or setting up your tuition payment plan at ssaucier@nwcath.org.

3. UNIFORMS

- Review the school uniform and shoe guidelines.
- Purchase replacement uniform items from Tommy Hilfiger. June and July are ideal times to purchase uniforms to ensure you have the required items in time for the start of school.
- Uniform questions? Contact Mrs. Montoney at jmontoney@nwcath.org.

4. VIRTUAL BOOKSTORE

- Use the preliminary schedule that you receive to guide your textbook purchasing at our virtual bookstore.
- The bookstore opens **July 15**.

- Do not attempt to download eBooks to any device other than the school-issued iPad! Do not use any other email besides your student's school email!
- Questions about your student's schedule? Contact Mrs. Montoney at jmontoney@nwcath.org.

5. MEDICAL FORMS

- All medical forms must be completed and submitted to the school nurse, including the student emergency form to attend school on the first day, or in order to tryout/participate in fall athletics. Have you reviewed the NWC health requirements?
- Has your child had a recent physical? If not, please ensure you have a current physical on file prior to the start of fall athletics.
- Have you completed a medical authorization form for any medications required to be administered at school in FACTS?
- Questions for the school nurse? Email Nurse Bornstein at nurse@nwcath.org.
